ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was received electronically at the Board of Patent Appeals and Interferences on July 29, 2008. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matter requiring attention prior to docketing is identified below:

A review of the file indicates that the appellants filed a “37 CFR 1.127 Petition for Entry of the Amendment of January 18, 2007” on April 30, 2007. However, there is no indication that the Examiner considered the **Petition** filed April 30, 2007.

EXAMINER’S ANSWER

In the Examiner’s Answer submitted on April 2, 2007, on page 2, under the heading “Real Party in Interest,” the Examiner omitted the statement in regards to the Real Party in Interest.

Accordingly, it is

ORDERED that the application is being electronically returned for consideration and proper response to the “37 CFR 1.127 Petition” filed on April 30, 2007, for correction of the information omitted from the heading of the Real Party of Interest, and for such further action as may be appropriate.

If there are any questions pertaining to this order, please contact the Board of Patent Appeals and Interferences at 571-272-9797.
